## Fildena® XXX

Fildena XXX - bright, stylish, effective generic Viagra soft, which, in addition, has a pleasant taste! Fildena XXX is an interesting Erectile Dysfunction treatment in fruity flavored Chewable tablets. The medicine is a powerful formula containing Sildenafil Citrate 100mg as its key ingredient. The product treats impotence by improving erectile capabilities in men. The tablet is a chewable formula enhancing the performance and abilities of men in keeping up an erection that stays hard and strong till the end. Ideal for men with problems in consuming conventional tabs, which may be hard or uncomfortable to swallow. This tablet does not need to be washed down with water. It is not taken by mouth, but sublingually, i.e. it dissolves in the oral cavity.

Active ingredient: Sildenafil Citrate
